JOINT CASE RESOLUTION STATUS REPORT

Plaintiff John Dillon and Defendant Early Warning Services, LLC (“EWS”) (collectively, the “Parties”) through their counsel and pursuant to the Court’s Initial Case Management Order (Dkt. No. 27) submit the following Joint Case Resolution Status Report:

EWS served its initial disclosures along with 916 pages of documents related to Plaintiff. Plaintiff also served initial disclosures with an 82-page document production. The parties have had several discussions outlining their respective views on the merits of the Plaintiff’s claim. The Plaintiff’s counsel has provided these hundreds of pages to the Plaintiff and continues to have extensive conversations with the Plaintiff regarding the information contained in those documents.

Due to the fact-intensive and comprehensive nature of the documentary evidence produced thus far, the Plaintiff has not yet formulated a settlement demand in this matter. Plaintiff expects to have a detailed written settlement demand to the Defendant within fourteen days, once Plaintiff finalizes an evaluation of the case, in light of the voluminous documents produced by the Defendant.

Dated: December 4, 2020

Respectfully submitted,
